

FRED HENRY, BELOVED CAMERON CITIZEN, DEAD

ACTIVE FRATERNALIST AND ESTEEMED RESIDENT BURIED MONDAY

Fred Henry, beloved Cameron citizen and active fraternalist, is dead at the age of 63 years and six months.

Death came to the esteemed at 2:30 o'clock Sunday May 13, 1928, at his home in Cameron where for many months he had faced with patience his declining health. For the past three years Mr. Henry had been ill, his condition growing worse, despite the heroic efforts of himself to gain back his strength, and the attention of physicians who gave their best to save him further to the life he lived so full to endure him to his friends.

At the bedside were his devoted wife his daughter, Miss Phillis Henry of Hillsboro and son, Dr. Harvey Henry of Lubbock. Sustained by the devotion of these who gave all to save him, he died in peace, after a life, many years of which was spent in service to his fellowman.

Funeral services were held Monday afternoon at 2:30 o'clock May 14, 1928 at the residence with Rev. J. P. Love, friend, conducting the services, assisted by Rev. H. G. Kenney. At the grave the Knights of Pythias led by W. G. Gillis, prelate of the lodge, gave the departed Knight the honors of the order in the beautiful burial ritual of the lodge. The Coleman-Epplen undertaking parlors, directed the funeral arrangements. The active pallbearers were: Jake Posey, Chas. McGehee, E. W. Hood, A. J. Triggs, Robert McCown and Harry Tag. Honorary pallbearers were Dr. W. R. Newton, Jeff T. Kemp, M. G. Cox, J. B. White, Julius Sustek, E. L. Brod, H. M. Hefley and Dr. D. E. Monroe.

A native American he loved his country and always was zealous for its welfare, believing its ideals offered more to men than any other. Fred Henry was born on October 8, 1864, in Plattsmouth, Nebraska, the son of pioneer parents who helped to settle the west and to claim it for the banner of civilization. His father, a soldier in the war between the states, died while in service. After the war he went with his mother to Germany where his youth was spent and his education obtained. He was graduated from the universities of Heidelberg and Leipzig.

In 1892 the lure of his native land was strong in his breast and he came in 1892, settling at Waco where in 1893 he married to his first wife, Miss Pauline Mueller. In 1904 they came to Cameron with their family and Mr. Henry resided here until his death. Surviving him are three children and their mother who resides at Austin. The children are: Mrs. H. C. Pepper, Fayetteville, Arkansas; Miss Phillis Henry, head of the department of mathematics in the Junior College at Hillsboro; and Dr. H. B. Henry of Lubbock.

On January 29, 1925, Mr. Henry was married to Miss Alvina Schade of Meckenberg-Strelz, Germany. The wedding occurred in the City Hall in New York City where they met. Mrs. Henry having arrived from her home in Germany. She survives him and during his days of declining health cared for him and administered to him with great devotion and untiring tenderness.

As an active fraternalist Mr. Henry was perhaps without superior in Texas. Practically all his life he had been an active fraternal leader. At the time of his death he was a member of the Knights of Pythias, Cameron and Sons of Herman at Temple. He had been keeper of Records and Seal for Milam Lodge No. 125 Knights of Pythias for the past ten years and it was in this capacity that he rendered his most conspicuous service. At one time he held membership in 22 fraternal organizations while residing in Waco.

The funeral services at the grave were attended by more than fifty loyal Pythians and the service was conducted by W. G. Gillis who read in addition to the ritual a letter from Henry Miller, Grand Keeper of Records and Seal, commending his Pythianism, also a telegram from the Grand Lodge of Texas recently in session at Austin expressing hopes for recovery. He died as he had lived, true to his friends and loyal to all of his obligations.

The last tribute of those among whom he had lived and wrought for Pythianism, the lodge he loved, was paid at the grave when in shield formation with the prelate and chancellor commander at the head of the grave, the Knights gave their last measure of devotion. The warm sunshine of mid afternoon bathed with splendor the flowers that came in loving tribute to him and the Knights who stood about the grave mingled their tears with those of the family, realizing that his place cannot be filled, but drawing inspiration from his example of devotion and will carry on for his sake.

Board Re-Elects Head of Cameron Schools

T. A. Fisher, superintendent of the schools of Cameron, has been reappointed by the board of trustees. L. Van Perkins has been re-elected to the place of principal for the schools. It is said that all the teachers have been re-elected and given the proper time for consideration of the contract. Mr. Fisher has been superintendent for five years while Mr. Perkins has been connected with the schools for six years.

WM. E. ALLISON BURIED AT MARLOW SATURDAY

DIED AT LONG BEACH CALIFORNIA—WAS NATIVE OF THIS COUNTRY

William E. Allison, aged about 26 years, son of Mr. and Mrs. W. E. Allison of Marlow, was buried Saturday afternoon at three p. m. May 12, 1928 in the cemetery at Marlow with Rev. Wallace Jones of the Christian church conducting the services.

William E. Allison, Jr., died at his home in Long Beach, California, Monday, May 7 1928 and the body was received by the Green Bros. undertaking firm here at noon on Friday May 11. The body was taken to the home of the parents at Marlow, accompanied by his young wife who survives him.

He died of pneumonia. He recently moved to California where he married and had settled down for his life. The death of Mr. Allison has brought sadness to many.

He was buried in the Marlow cemetery. Pallbearers were: Monta Coward, Billie Bickett, Chester Hobson, Robert Mayfield, Erskine McDermott and E. D. Quillin.

Burleson C. Pioneer Dies At Age of 82

Caldwell, May 14.—Funeral services were held for Frank Kristoff Sr., 82, one of the pioneer citizens of Burleson county, who died at the home of his son, Frank Kristoff Jr.

Mr. Kristoff was one of Burleson county's leading farmers. He was born 1846 in Czechoslovakia, coming to America at the age of 20, settling in Burleson county in 1888.

Funeral services were conducted by Rev. Frank H. Horak, pastor of the Caldwell Moravian church. Burial was in the Christman chapel cemetery.

He is survived by the following children: Frank Kristoff Jr., Joseph Kristoff, daughters, Mrs. J. J. Wotipka, Mrs. J. F. Kristoff, Mrs. Joe J. Dusek, all of Burleson county and Miss Mary Kristoff of Cameron.

THREE GRADUATE FROM NURSE SCHOOL HERE

NURSE GRADUATES HOLD COMMENCEMENT EXERCISES SATURDAY

Commencement exercises were held Saturday night May 12 at the Cameron Hospital for the graduation of Miss Laura Dodd, Miss Mae Good and Miss Lexie Hilton from the school of nursing.

The following program was rendered:

March, Geraldine Slaughter.

Vocal solo, Florence Atkinson.

Address, Mrs. Kathryn K. Robbins.

Vocal duet, Florence Atkinson and Dora Emily Moore.

Piano solo, Geraldine Slaughter.

Talk, Miss Dietrich of El Paso, educational secretary for training schools for nurses in Texas.

Piano duet, Lois and Ruby Robbins.

Presentation of Diplomas, Dr. W. R. Newton.

The address of Mrs. Robbins was very interesting and one of the best features of the program as was the address of Miss Dietrich whose work is state wide.

Dr. W. R. Newton in presenting the diplomas of graduation complimented the nurses on their work and his talk was interesting and much appreciated by the graduates and those present.

Mrs. A. A. Brooks was visited on her 91st birthday by women of the Presbyterian church last Saturday. The women took flowers and a number of gifts.

The Board of Equalization for Milam County composed of the County Judge and members of the commissioners court, met in Cameron Monday to go over renditions of property. Cards will be mailed out on all increases in valuation.

"BOB"

He was a loyal friend, intelligent and had a great nature. He knew men and had a divining spirit of which only a great dog is capable. Bob got much out of life. He was everybody's friend and he loved his master devotedly, helped him when he could and seemed always to understand his problems, regretting that he could not help more, but being a dog, he knew his limitations, but his heart was in his master's business every day. He greeted him at the rising of the sun, at noon time and at night, still the loving, loyal servant, understanding and never faltering.

Bob liked to go into the fields for he was a great Pointer with the blood of great forebears. Bob was not afraid of anything. He never used his courage or superior intelligence to the hurt of other dogs, but he had his rights and he insisted they be respected. He was ready to do battle

for his master and to die if need be for him.

His was a great devotion such as only a dog can give. What a pity that human kind has not yet learned to be as loyal. Man can be cruel and can forsake his friends, can sink to levels from which there is no rising; but a dog, he cannot do these things. A dog is grateful, he never forsakes, though often hard masters lay cruel hands upon him and beat him. But he loves still and comes at even tide, understanding often as man cannot understand, that companionship is sweet and loyalty a virtue with him that cannot die.

Bob was killed Wednesday morning. A car struck him and death was almost instantaneous. The writer of this knew Bob. He was W. B. Levy's dog and the master loved him. W. B. Levy is a good man because he loved his dog and we grieve also because Bob is dead.

R. L. BATTE, JR., WITHDRAWS HIS NAME AS A CANDIDATE FOR SHERIFF OF MILAM CO.

R. L. Batte, Jr., of Thorndale, Texas and formerly of Cameron this week has authorized this paper to announce to the voters of Milam county that he is withdrawing his name as a candidate for sheriff subject to the Democratic primary July 28, 1928.

Mr. Batte says he was receiving wonderful support from the voters over the county and felt sure of election but for reasons he doesn't care to explain at this time, that he withdraws voluntarily and not in behalf of any other candidate.

His many friends over the county will learn with regret of this action taken by him and Mr. Batte wishes to take this opportunity to thank each

and every voter in the county for their support and loyalty to him while he was a candidate and to those who are opposed to him that he holds no ill will or malice and considers them all his friends. He also says he will be a possible candidate for the sheriff's office in 1930.

He will endeavor to see as many of the voters as possible in person and thank them for their loyalty and support and to those he does not see he wishes them to accept this as his expressed appreciation of their attitude in his race.

Mr. Batte did not state his future plans but says he will remain in Thorndale for the present.

SCOUT TROOP ACTIVE IN WORK IN CAMERON

JOE MATULA REPORTS GREAT ACTIVITY AMONG THE TROOP MEMBERS

Boy Scouts under Joe Matula are pushing forward with a splendid program of work and the activity of the troop for the past week began with a hike last Wednesday. The hike was very successful with 100 per cent attendance. Several of the boys passed the semaphore code test.

Regular meeting last Monday with all present. Third patrol now finished with each boy assigned their representative position. Each patrol now have their patrol and assistant patrol leaders. The fourth patrol will be organized immediately which will be up to full strength of 32 boys and then intensive training will begin. Several boys have finished their first class tests at this meeting and will be presented with their badges at the next Court of Honor.

Monday evening at eight p. m. the troop entertained their girl friends in the basement of the Methodist church with forty present. A regular program of Scout games were played by the boys for entertainment with the girls participating in two games. Table was then spread and were served with cream, cakes and lemonade.

Seven new members were initiated at the Monday meeting. Regular meeting next Monday at 4:30 p. m. when more new members will be initiated and Dr. A. S. Epperson will deliver his second lecture on first aid held by the Heart of Texas Council on this occasion.

Our next Court of Honor will be sometimes in June and this troop will have a surprise for the public. Hearing the public will turn out to see what scouting is all about. This troop is well organized and managed by the scout master and three assistant scout masters.

D. A. R. CHAPTERS MEET IN CAMERON FOR LUNCHEON AND PROGRAM MAY 12

Climaxing a series of brilliant social events for the week and one in which there was more than city wide interest was the May-time luncheon given by the Sarah McCalla chapter of the American Revolution of Cameron Saturday afternoon at the Cameron country club, naming as honor guests members of the William Scott chapter of Bryan and A. & M. College, the Daniel Coleman chapter of Georgetown and the Bettie Martin chapter of Temple, each chapter being well represented.

The spacious porch and dining room of the country club was artistically decorated for the occasion with a profusion of pink and purple larkspur and pink roses. May time was the general theme noted in decorations. Baskets filled with these lovely flowers

were placed all around the porch. Wall baskets held the fragrant blossoms and long vines hung gracefully from each basket. This was indeed a lovely spring setting.

The guests were met at the cars and invited to the dressing room, later to the porch by Mrs. Thomas of Rogers and Mrs. Kemp, that served in a lovely guest book, the handiwork of Mrs. McIntosh. The cover was adorned with a lovely basket filled with spring flowers.

The guests were then invited into the dining room where thirteen small tables were set in beautiful snowy linens in the centers of each was a May Pole of green with rainbow streamers extending from the top to (continued on page six)

Lud Williams, Waco Lawyer Dies Tuesday

Lud Williams, noted criminal lawyer of Waco and well known in Cameron, died at his home there Tuesday, May 15, 1928. Death came to the lawyer at 9:30 in the morning and was sudden. News of his death came as a shock to his friends in Cameron and Milam county. He was 58 years of age and a native of Texas, one of the first men to graduate from the law department of the University of Texas.

DEMOCRATS CONVENE IN BEAUMONT NEXT TUES.

FIGHT SEEN FOR STATE CONTROL TO HOUSTON IN JUNE

Texas Democrats will gather in Beaumont next Tuesday, May 22 for the state convention to name delegates to the national convention which meets in Houston on June 26.

A large delegation will attend the convention from Milam county, leaders of the party here indicate. Milam county's five votes will be cast for uninstructed delegates to the national convention who are favorable to Al Smith of New York.

Governor Moody, Thomas B. Love and the Smith supporters will go into the convention to ask for delegates favorable to their candidates or policies. The Smith faction may hold the balance of power and thus secure from Texas an uninstructed delegation. Rumor has it that Moody would welcome a coalition with Smith men but many believe Tom Love will control the convention and name the delegation.

Prettiest Girl Picks Detroit-Jewel Gas Stove At Dallas

The Detroit-Jewel gas stove was selected by the prettiest girl at Dallas last week when a gas stove representative held a demonstration. The prettiest girl was selected and she was given the privilege to select the stove of her choice which was presented to her. She chose the Detroit-Jewel.

Judd G. Davis of the Milam County Hardware Company has an advertisement in the papers this week of this wonderful stove. Further announcements will appear in the papers about the Detroit-Jewel stoves.

SMITH SUPPORTERS TO MEET BEAUMONT MAY 21

CLAIM HEAVY SENTIMENT IN CAMPAIGN HEADQUARTERS FOR GOVERNOR

The spectre of intolerance again hovers over Texas and bigotry underlies opposition to Governor Alfred E. Smith says a statement issued by the headquarters of the Governor in Dallas calling for a caucus of Smith supporters on the night of May 21, at Beaumont.

The statement follows: "Delegates who desire the nomination of Governor Smith are in the majority in eight or nine congressional districts. In those districts where most of the delegates are instructed to work for a dry candidate on a dry platform, as was suggested by Governor Moody, there are many, possibly a majority, of the delegates who never will follow the intolerant and discourteous program that is recommended by the Smith opposition."

Claim Intolerance Issue "The temper of this opposition is revealed by the resolutions and instructions given in conventions controlled by the so-called constitutional Democrats. Bigotry and prejudice had full play and the prohibition issue was lost in the clamor raised by anti-Catholic speakers. In Dallas a resolution asking religious liberty for Mexico was passed, while speaker after speaker assailed Smith for his religious beliefs, plainly showing that religious liberty in America was not to be included in the scope of their program."

"The specter of intolerance again hovers over the State. It is up to the friends of Smith to bend every effort, toward saving Texas from the intolerable situation that would exist if the narrow and unwholesome program of Smith's enemies were carried out. To this end we urge, in concert with our comrades in Fort Worth, Houston and other Texas cities, a full attendance at the Smith caucus in Beaumont on the night of May 21."

Mrs. W. E. Lamb has been in Elevation this week to see her mother who is reported ill but is better at this time.

PENN WOLF CANDIDATE FOR DISTRICT CLERK

RE-ELECTION SOUGHT BY POPULAR AND WIDELY KNOWN OFFICIAL

Penn Wolf, popular and efficient district clerk of Milam county, is a candidate for re-election to that office, subject to the action of the Democratic primary election on July 28, 1928 and The Herald has been authorized to insert his name in the proper announcement column of this paper.

Mr. Wolf in making his announcement through the columns of this paper will please a large number of his friends and supporters, readers of The Herald, for they will be glad to know he is again to offer for re-election to this important place.

It is doubtful if any public official in Texas has equaled the record made by Mr. Wolf in his attention to the duties of office. Recently it was disclosed that Mr. Wolf had lost only 2 days from his work in the entire time he has been in the office, and those on account of illness. He saves the county considerable expense by doing all the work himself, and it is known beyond question that his office is one of the most efficient departments of the government.

Mr. Wolf was born and reared in Cameron and it is said that he has as many personal friends as any man who ever held office in this county and he has gained this wide circle of devotion by reason of his fine characteristics and friendship to others. He needs no introduction. Wherever people live in this section, the name of Penn Wolf is known, and no greater tribute could be paid than today the people of Milam county count him one of their greatest assets in public office, for he has served the people well and in their esteem holds first rank.

Mr. Wolf asks that his friends over the county take notice of his announcement and anything they may do for him will be greatly appreciated. He hopes to see them all by election time, but in the event he cannot do so, because of the duties of office, he sends them his sincere greetings and solicits their continued support and good will.

Mr. Wolf reminds the people that he is a native of this county and is grateful for the confidence of the people who have elected him to this office and extends his thanks to them, pledging his loyalty to their interests.

Community Vacation Bible School June 1

The Vacation Bible School will begin June 1st at the Ada Henderson Grammar School and last to June 15th.

The department heads of the school are: Mrs. W. A. Bonds, Supervisor; Mrs. John Green, Superintendent Intermediate Department; Mrs. Wallace Jones, Superintendent Junior Department; Mrs. J. P. Love, Superintendent Primary Department; Miss Sallie Kate McLane, Superintendent Beginners.

Vacation church schools keep steadily increasing in number, year after year. Why?

Because no other sort of religious school can hope to achieve such fine results with an equal amount of time and effort. This is due to the unique education advantages it possesses. Briefly stated these advantages are:

Freedom from competition. Meeting mornings only in the summer period, the Vacation school need not compete with the public school for the attention and activity of the pupils.

Five teaching days each week. Unlike the teachers in Sunday School and Week-Day church school, Vacation school instructors do not have to try to "bridge the gap" of a six-day interval between lessons. This is a very great advantage as every teacher knows.

A daily session of adequate length. Instead of a crowded session of an hour or a little more, the Vacation school has two and a half or three hours each morning—the equivalent of a public-school session. This makes possible a program that is educationally complete and balanced, with opportunity for guiding pupils in the actual practice of Christian living.

The Vacation Church School is the school with the best chance at the children.

George T. Grone, formerly with the Texas Power and Light Company, has gone to Merkle where he will visit with his father for several months. Earl Moseley will take the place occupied by Mr. Grone in the service of the company. Mr. Grone leaves many friends in Cameron who trust that he will be back in the city again soon.

Mayor W. W. Chambers was in Georgetown Monday to attend court.

YOUR SNEEZE MAY NOT BE FROM COLD

Draft May Have Nothing to
Do With the Matter—
Million Particles.

WHEN you sneeze it is not always a sign you are taking cold. That is the opinion of physicians working on public health problems in the last few years.

Most men and women when they feel that tickling in the nose or throat immediately look for the nearest door or window, convinced that they are sitting in a draft.

However, the draft, if there is one, may have nothing to do with the matter at all, physicians say. The unhappy one merely has inhaled a few million or so dust particles.

That may be true particularly of our cities where enough dust floats in the atmosphere in one year to build a core-shaped mountain 1,500 feet high, with a five-mile diameter.

Some statisticians have figured it out that if all the dust that hovers above American cities were gathered in one place, say Manhattan Island, that dust would be piled up to the streets of Manhattan to the depth of 21 feet.

But one is likely to sneeze while walking along a country road, though not quite as likely as in the city. Here the dust that is raised usually comes from dirt or gravel roads. There is, however, less likelihood of this today than ever before as highway officials now have at their command many methods for "blinding" the top cover, particularly the use of such chemicals as calcium chloride, considered by engineers the best of dust layers.

KANSAS FAVORS GRAVEL HIGHWAY

THE Kansas Highway Commission has adopted a definite policy of using sand and gravel on all the roads it can improve that way for the present.

"Gravel and sand cost only \$1,500 to \$2,000 a mile," said John Gardner, Highway Director. "By using these materials, which are plentiful in many sections, we can build roads passable at all seasons without difficulty or long delay. They are easy and inexpensive to maintain. By using the calcium chloride, the gravel and sand are held together and the dust is obviated. Of course, these roads will have to be resurfaced every five or six years, but we feel that it is better to build that way and get as many people out of the mud as possible rather than build short stretches of more permanent and more expensive roads, just at this time."

H. M. Roark Elected Supt. of Thorndale School for 1928 Term

H. M. Roark of Leakey, Texas, for six years superintendent of the Thorndale Public School, leaving Thorndale in 1922 to make the race for County Clerk of Milam county, will return to Thorndale as head of the local school for the term beginning in September 1928. Mr. Roark was elected by the board at a meeting held on Monday night of this week, following the announcement of Supt. Henry Ross that he would not be an applicant for reelection. Mr. Roark as stated above served as superintendent of our local school for six years and is an experienced school executive, and his election by the board will be received with interest by his many friends here. Mr. Roark will move his family to Thorndale on or about June 1, to make their home and take up his duties with the coming of the new term.

Mr. Roark is not only popular among our citizenship but is well liked by every student who respects and admires him for his interest in them.

The Leakey school, under Mr. Roark's direction took all first and second honors in declamation at both the county and district interscholastic league meets this year, which is considered a compliment on the work Mr. Roark did this past year.

The Champion joins the many friends of this good family in welcoming the mback to Thorndale and into our citizenship.

Miss Irene Bell has also signed a contract to teach here another term. The above two are the only ones yet signed to be with us another year.—Thorndale Champion.

FROM THE FILES OF THE CAMERON HERALD TWENTY-FIVE YEARS AGO

Dr. R. M. Howe of Bryan is visiting in our city this week.

Mrs. R. F. Pool visited friends in Rockdale last week.

Messrs John M. and W. T. Hefley left Thursday afternoon of this week for Mineral Wells for a few days recreation and rest.

Hon. J. M. McKinney of Jones Prairie was among our city's visitors last Tuesday. Senator McKinney has many friends in Cameron who are always glad to meet him.

J. D. Hefley has had one of the main streets on the east side graded and graveled. It is about the best piece of work ever done in the city and it will make a delightful drive-way.

Dr. G. B. Taylor left last Monday for Chicago to attend a course of lectures at a medical college there. His family will reside at Burlington during his absence of some three months.

Mrs. M. A. Bates of Taylor returned home last Saturday afternoon, after a visit of several days in Cameron, being the guest of her niece, Mrs. O. F. McAnally.

John Watson was in Calvert last week on legal business.

G. T. Graves has sold his stock of furnishings and shoes to Cheeves Bros.

An asphalt well was announced as a discovery near Austin a few days ago. It is a liquid output and was found in boring for oil.

The increase of prohibition sentiment in Texas is about to do away with the open saloon on Sunday. Popular feeling is not without its affect.

Admiral Cervera who commanded the Spanish fleet in the battle of Santiago has been elected a senator for life.

J. D. Peoples of Milano was a visitor to Cameron Wednesday of last week and in company with Paul Tarver, paid the Herald office a pleasant visit.

Robert T. Cooper of Maysfield was in Cameron last week. He reported that his section had not yet enough rain.

Monta Thomas visited in Waxahatchie this week.

Good Road Facts

Henceforth, civilization can be no better than its highways.

More than \$1,000,000,000 was spent in improving highways of the United States last year.

Good roads are a fine thing, but it is well to remember that they lead away from the farm as well as to it.

All roads leading to the four gateways of Yellowstone National park are reported to be in excellent condition.

The national parks, seven in the United States and three in Canada, are now linked together by improved highways.

The Defense highway, shortening the distance between Washington and Annapolis, Md., by eight miles, will be completed this year.

Twenty times around the world! Such, at any rate, is the distance American motorists could travel on their 500,000 miles of surfaced roads.

The Arizona highway department has taken consideration of the pedestrian on the roadway and has made certain provisions that he walk on the left side.

Minnesota has 100,000 miles of public roads of which 7,000 are trunk highways treated by special patrol maintenance, on which there has been expended during the past five years \$33,000,000 annually. This state is a large user of calcium chloride for dust laying and highway maintenance.

Finishing School Then What

Trade Your High School Desk for a
Salaried Desk in Business

Business wants you and will pay you well; but first you must secure a specialized business training in some good commercial school. To earn money to buy the things you need and would like to have is the desire of every worthy young man and woman. But to do this you must be trained to do well something that the business world wants done. This training must be secured in a school located in a large business center where thousands of young people are employed each year to fill the places of those that are promoted and that go into business for themselves. Do not make the mistake of attending a business college in a small town or city where there is practically no employment, for a school thus located can not assist you in securing positions like a big school in the heart of a large city where the managers of large business concerns are personally acquainted with the school and its management.

Byrne students hold the highest salaried positions as secretaries and accountants in the city of Dallas. They are always in demand. Many of them are employers themselves and naturally prefer students that are trained in the Famous Byrne Systems which they know to be thorough and modern. With seven of our own specially prepared copyrighted text books, we are able to turn out a better book-keeper and stenographer than is possible with other systems; and we do this at a saving of at least three months' time to the student, which means that our students will be on the payroll drawing a nice salary 3 months before they could have graduated had they attended a school teaching other systems.

Fill in and mail for large free catalogue. You will be agreeably surprised at what we have to offer and what we can do for you in a short time and a small outlay of cash in advance.

RUPTURE SHIELD EXPERT HERE

E. J. Meinhardt, of Chicago, the well-known expert, will personally be at the Raleigh Hotel, Waco, Texas, on Tuesday, May 22nd, from 9:00 a. m. to 4:00 p. m., and on Wednesday, May 23rd, from 9:00 a. m. to 2:00 p. m. only. Mr. Meinhardt says:

"The Meinhardt Vacuum Shield" will not only retain the Rupture perfectly, but contracts the opening in 10 days on the average case—usually giving instantaneous relief withstanding all strain regardless of the size or location of the Rupture.

CAUTION—Do not expose yourself to the danger of wearing old-style trusses with understraps. These trusses usually place the pad on the lump and not on the rupture opening. This often causes strangulation which usually necessitates an immediate surgical operation or results in sudden death.

"The Meinhardt Vacuum Shield" has no understraps. It is also perfectly sanitary and practically indestructible and can be worn while bathing.

Ruptures often cause Stomach Trouble, Backache, Constipation, Nervousness and other ailments which promptly disappear after the Rupture is properly retained.

Only gentlemen are invited to call at this time as special arrangements will be announced later for women and children.

Notice: Please do not write asking for literature or to be fitted by mail as this is impossible. Every case must be seen personally; therefore I visit this section every year—giving demonstration without charge, or will be pleased to fit you if desired. All cases that I have fitted here during the past five years will please call for inspection. Please note the above dates and hours carefully. Business demands prevent stopping at any other city in this section.—(This visit is for white people only.)—E. J. Meinhardt, Home office, 1551 N. Crawford Ave., Chicago.

THE "TOBACCO BRIDES"

THE Virginia Company advanced the passage money of the young women who came over to marry and help the early settlers establish homes.

As each bridegroom was required to pay to the company "120 pounds of the best leaf tobacco" for his bride's passage, the young ladies were referred to as the "tobacco brides."

Although tobacco is no longer used as currency, much money still "goes up in smoke" if it is not deposited quickly in a bank account.

We invite you to establish one here.

3 cleaners
3 sizes
3 prices

for every purse and purpose

Home Demonstration—Now we have just the kind of cleaner you want—at the price you want to pay for it. And we offer you the privilege of trying out the cleaner in your own home. Just look at the cleaners on the floor of our store and tell us which one to send over to your house.

All three have double-action—super-suction and a motor-driven brush. And in each cleaner both brush and motor are mounted in ball bearings—they never need oiling.

Premier Pic-up

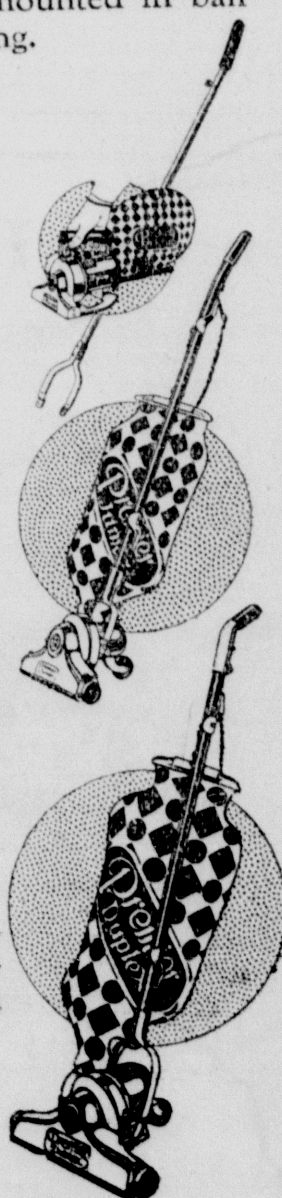

The Premier Pic-Up takes the dust and dirt out of stair carpets, automobile and furniture upholstery, davenport, mattresses, cushions—everything. Has a three-foot extension handle to clean carpets, rugs and draperies.

Premier Junior

The Premier Junior is the favorite for smaller homes, apartments and bungalows. Just like the Premier Duplex but 2/3 its size. Complete set of attachments included in its price.

Premier Duplex

Premier Duplex is the nationally famous cleaner which has never been surpassed for excellence and performance.

a Lady Like Mother," Oro Dell Coch-
ran. Song, "Tell Mother I'll be There"
choir. Rev. G. C. House introduced
Dr. Oscar Ulrich, Dean of Southwes-
tern University, Georgetown who de-
livered a fine address to a large con-
gregation. After the services a boun-
tiful dinner was spread and there were
several hundred people who enjoyed
the good things to eat. There were
a large number of out of town guests.
Mother's Day is observed each year
in Gause by having a good speaker
and serving a real basket dinner as
the good ladies of Gause are noted
for always coming up with their part

when it comes to having plenty of
good things to eat. On account of the
slow rain which started immediately
after dinner the afternoon meeting
was called off but Bro. Kendall gave
us a fine sermon that night.

Everyone rejoiced over the fine rain
which fell Sunday afternoon. Gause
territory received about one inch. It
was a slow rain and very much need-
ed.

Texas and Texans

By Will H. Mayes

Politics Before Business

If one may judge from reading Texas newspapers, the people of this State go "hog wild" every two years about politics, and stay in that condition about six months, or one fourth of the time. The newspapers give most of the best front page positions to the views of candidates and to laudatory or denunciatory expressions about them. Those elected to office leave their offices in charge of clerks and office boys and run wildly over the state to tell voters what to do to "save the country." For the time, and it is a big part of the time, business is laid aside or forgotten. The average citizen, who would like to be left to go quietly about his business, finds the pages of his paper filled with politics and with the laudation or condemnation of candidates. Business can not get the ear of either the press of the people, and has to sidestep from the way of the loud-mouthed vote-seeker with his ballyhoo methods. If only one-half the energy

were concentrated on the development of Texas that is now absolutely wasted, or worse than wasted, over the non-essentials of politics, this State could soon become the greatest industrial and commercial commonwealth of the world. Seemingly it prefers to be harangued by the politicians.

Press Agenting

Barnum was the greatest press agent of his day. He believed that the way to succeed as a showman was to spend one hundred times the cost of every attraction in advertising to the public. Were Barnum in Texas during a political campaign he would be shocked that he had ever been so modest in his claims for his attractions, for he would see that in politics the ratio of claim to real value is often more than 1000 to 1. He would also wonder why he had ever paid the newspapers for space that they so willingly give away so liberally to every Dick, Tom and Harry who tries to get into office or to help boost some one else into office. Running for office now is largely a matter of shrewdly working the press for space that at least many readers would like to see used for something else than political "tommyrot." This is an era of political press-agenting, and the wonder is why the press is so easily worked for it all.

Tax Rate Reduction

A hope is held out that the automatic tax board may be able to reduce the State tax rate from 67 to 62 cents. The constitutional maximum of 35c for schools, 7 cents for pensions and 20 cents for general revenue purposes is now levied. It is the last item that may be scaled 5 cents. This is a small item, but tax payers will welcome even a small reduction.

Favors State Highway Bonds

Chairman Sterling of the Highway Commission has declared in favor of a State bond issue of at least \$350,000,000 for building permanent State highways, the interest to be paid and the bonds to be retired with a 3 cent gasoline tax. He would retire the county bonds that have already been issued, giving the counties credit on the present valuation of their roads. He thinks the commission could advantageously spend \$40,000,000 to \$50,000,000 a year on the State highways, whereas now from \$15,000,000 is being spent.

Menard Improvements

Picking up the Menard Enterprise at this time of the year one is invariably tempted to lay aside all duties and cares and go to the enticing streams the filtering hills and the cooling breezes of that section. When the Enterprise really gets started telling about its scene for an outing or a vacation it is difficult to stick to a typewriter a day longer. To its former attractions the Menard country has added numerous tourists camps of up to date type and at Menard a modern hotel that would be a credit to any city.

Henry Edwards' Papers

Henry Edwards, who so ably conducts newspapers at Tyler and Troup, with the assistance of other members of his family, but who for reasons of his own cut this columnist from his list of acquaintances about a year ago, has favored me with a copy of the Tyler Journal devoted to farm extension service. The paper is a wonderful revelation of both the present development and the possibilities of Smith and adjoining counties. In what has been accomplished, Henry Edwards and his splendid family have had most important parts of a kind that counts largely at the present and will bear even greater fruitage in the future. Henry believes in his part of Texas and works for it all the time.

Davis Foundation Gifts

A recent gift of 500 head of Ramboulett sheep to the boys' and girls' clubs of Caldwell county by the Edgar B. Davis foundation is but another evidence of the useful generosity of the remarkable man who made a fortune in that section and wants to share it with others while he lives. The foundation has so far distributed registered Jersey heifers, and where needed, registered bulls liberally in Caldwell, Gonzales and Guadalupe counties. In Gonzales county Mr. Davis has placed 23 registered bulls and numerous Jersey heifers, thus a wonderful stimulus to dairying in that and the other counties where his gifts have been so liberal.

Valley Road System

The road system in three counties in the Lower Rio Grande Valley, when completed according to present plans will cost approximately \$10,000,000. The counties that believe in building roads of a kind that will stand the usages that future development will require are Cameron, Hidalgo and Willacy. Cameron was among the first counties in Texas to build concrete highways, and has been so pleased with them that the people of that part of that State are not satisfied now with anything short of the best roads that money can build.

Texas Textile Mills

Representatives of the textile mill interests of New England, on a recent visit to Texas, expressed surprise that this state has so long neglected the wonderful opportunities it has for manufacturing cotton and woolen goods close to the available supply of products. The textile industry is looking to the South and Southwest for

further extension and with its fine climate, cheap power and abundance of pure water, Texas should be manufacturing the greater part of its cotton and wool instead of sending them to New England and European mills.

Texas Tube Roses

It is not generally known that many of the 'imported' tube roses so valued in this country are grown at New Braunfels, shipped to Holland, then sent back through New York and Philadelphia and sold through different parts of the United States, including Texas, as Holland tube rose bulbs. Yet it is so.

One Arrested In Raid

John Hamby was arrested Thursday afternoon by deputy sheriffs Will

Vaughan and Guy Pope, and John Fleming, constable of Beat Four, at his home near Gee Mountain in the southern portion of Milam county. A thirty gallon still, 100 gallons of mash, copper coil and a gallon of corn whiskey (White Mule) was taken into custody. Hamby was placed in the Milam county jail to await the action of the grand jury.

WHERE ARE WE NOW?

The precinct and county conventions are over. The state convention at Beaumont is imminent. Then comes Houston.

Gov. Moody will control at Beaumont. Forty delegates under the unit rule will be sent to Houston pledged to work for a dry national platform, indorsement of the eighteenth amendment by name, and a candidate in sympathy with such a platform.

Gov. Moody as head of the delegation, will be named the Texas member of the platform committee. If the supporters of Gov. Smith on the committee agree to indorsement of the 18th amendment, the platform will go before the convention as a unit and probably will be passed unanimously. If the Smith influence declares against any mention of the eighteenth amendment, a minority report, if necessary, will go before the Houston convention and the dry forces of the south and west will lock horns with eastern and northern wets on the floor of the convention. The governor of Texas, in the event of such a battle, will lead the nation's dry democrats.

Smith is already nominated. One ballot only will be taken at Houston. By the time the roll call reaches Texas, the convention floor will be a waving mass of Smith flags and a frenzied mob of marching delegates. It is doubtful if the permanent chairman will be able to keep sufficient order so that the voice of Texas may be heard.

So after all, Beaumont will not settle any question in regard to the candidacy of Smith. It will, however, settle the question whether Smith can run on a platform ignoring the definite sentiment of the southern and western democrats to the effect that the eighteenth amendment should be definitely named and indorsed by the Houston convention.

If Gov. Smith can and does accept the eighteenth amendment as a part of his platform, he will become the favorite in the betting to defeat Hoover or whoever is the republican nominee. If he does not accept the eighteenth amendment he will be defeated by the republican nominee. A refusal of the eighteenth amendment by Smith will mean that for the first time since the civil war a republican candidate has a chance to carry gulf coast southern states. A refusal of the eighteenth amendment will mean that Smith will lose Kentucky, Tennessee, Oklahoma, possibly North Carolina and Mississippi, and, in the event of a party split, Texas itself.

So after all the issue is not whether Smith is to be the nominee; it is whether Smith is to become president. If Smith is merely a politician, if he is a provincial statesman affected by New York environment, he will use the steam roller and ignore the serious thought of the south and west. If he is a broad-gauged statesman he will endorse the eighteenth amendment along with very other amendment to the constitution. And, in his speech of acceptance, he will reserve the right to discuss fully and frankly his personal

views regarding the Volstead law.

The eighteenth amendment is a fact. Any candidate for office who is not willing to state that he will enforce the eighteenth amendment, might as well not run for office. On the other hand, any democratic candidate who attempts to run on a platform endorsing the eighteenth amendment and who does not meet the issue sincerely might as well not run.

The views of Gov. Smith are well known. He is not personally in favor of the Volstead law. He believes in temperance in thought, in eating, and in drinking. Believing these things, he can become a candidate on a platform indorsing the eighteenth amendment. And, also believing in temperance, he can in good conscience and as a candidate, discuss the desirability of changes in the Volstead law, the better to bring about temperance and with the definite design of reducing lawlessness and killing off the unwholesome partnership now existing throughout the United States between the super-bottleggers and the super-politicians. To summarize:

Gov. Smith will be nominated on the first ballot at Houston.

If Gov. Smith accepts the 18th amendment as a platform declaration, he will have the south and west with him, and there will be no party bolt.

If he becomes a steam rolling wet politician instead of a far-seeing statesman, he will lose enough states in the south and west to beat him, and the man on the convention floor who most clearly voices the sentiment of the south and west will be Dan Moody, governor of Texas, and head of the Texas delegation.—Waco News-Tribune.

THE UNPARDONABLE SIN

In his preachments Elbert Hubbard reflects "I am not sure what the unpardonable sin is, but I believe it is the disposition to postpone and evade the payment of small bills." How vast is the army of workers-for-their-fellowmen who can say amen to that little sermon.

Perhaps there are sins more unpardonable than "the postponement and evasion of bill-paying," but at least it can not be said that there is a sin more frequent in commission. Tradespeople, professional men and other public servants will attest to that latter as a declaration of fact.

To be sure, no one would place the brand of "dead-beat" upon all who are slow in pay. There are extenuating circumstances in all phases of life and financial reverses, poverty and ill-fortune are visited upon most members of the human family sometime during their worldly existence. Toward such the creditor-world gladly shows patience. But Hubbard remarks that "curiously enough, the people who are most given to this sort of sin are not the poor nor the illiterate."

Hubbard might have mused over the matter further and found that the "postponers and evaders of payments of small bills" may be divided into two groups, those who must gratify a mania for buying, knowing they have not the wherewithal

to pay for their extravagances, and those who, without any perverted intent to defraud or cheat have allowed themselves to acquire the habit of "slow-paying." The former in time lose their credit but the latter lost the respect of their fellowmen, which is greater than credit. Make a bargain and keep it. Every man is entitled to the dollar he has earned and if you accept service you admit his title to his 'pay' for that service.

ALL CAN HELP

While Cameron has much to be proud of as it considers past achievements, it would be sheer folly at this stage of the city's development to rest on the oars and be content with laurels already won.

Cameron's present high standing among communities of its size has been won as a result of foresight and aggressive policies on the part of those who in earlier years believed in the home town and, armed with that faith, fought a long, uphill fight for the things that make Cameron a better place in which to live.

Never before in its history has Cameron been in position to go forward in such rapid and substantial development as right now. But to do the things that must be done if the community is to continue to progress there can be no diminution of that spirit which made it what it is today.

In this work of building the home town everybody may and should contribute his bit. In fact, it is unfair for the great body of citizens to stand idly by while a minority of more public spirited citizens takes upon its shoulders the whole burden of making Cameron larger, better and more prosperous.

A few energetic citizens can accomplish much but no matter how great their work it would be dwarfed by the achievements possible from 100 per cent community cooperation. It required thousands of slaves to build the pyramids and the Chinese wall.

With every citizen talking and working for Cameron there can be no retrogression.

STRAW HATS

The straw-hat season is here in all its glory of new styles—that is, the men's straw-hat season is with us again, for the women have been wearing their new straw hats since January, and it will not be long now until they will have begun to wear their fall and winter hats.

Straw hats were first made and worn by the Romans. However, history records that it was not until many centuries later that straw hats really became popular. It was in the sixteenth century that Mary, Queen of Scots, became interested in the wearing of straw hats, and it was this same Mary who popularized the straw hat. She employed a number of straw-plaiters and returned with them to Scotland, where her people were trained in the art of straw-hat making.

Tuscany furnishes the finest straws and plaids. In Tuscany, the delicate Leghorn is woven into its finest texture. It is in Tuscany that some of the braids are so fine that the hat-makers find it impossible to work upon them more than two or three hours at a time on account of their eyes.

From Cuba and Porto Rico we get most of our Panama hats.

So much for the historical feature of the hat-making industry.

Every year the styles are different. Yet the old-fashioned straw sailors of a bygone year are still popular, and, even if they are not so nobby, they are bound to be popular with the old-fashioned man who has not a thousand lives to live and die.

Many persons jump at conclusions and call them convictions.

The person who pines over his hard luck needs to spruce up a bit.

Two popular musical instruments are the dinner horn and the horn of plenty.

How dull business would be if every man refrained from buying until he could afford it.

Who can remember when the peroxide blonde was about the most dangerous menace to husbands?

It is easy to acquire a reputation, but it takes a lot of hard work to make a good one.

Just to demonstrate how busy we have been with stern reality, it can be cited that a year has passed and failed to bring out a single new breakfast food.

Miss Mittie Hutton of Georgetown visited her cousin, Mrs. Meta McCown last week end.

D. A. R.

four merry little girls in gay colored frocks. Around the bottom of the May Pole was a bank of ferns. The place cards on each table were stamped with the D. A. R. insignia. At each table was seated three visiting ladies and one Cameron lady. The entire dining room was beautifully decorated in the gay flowers in baskets. On the mantle was a mound of pink roses interspersed with fern. At one end of which stood the picture of George Washington and at the other end stood a picture of Martha Washington, the father and mother of our country.

A delightful three course luncheon was served. First course consisted of tinted pear salad. Second course, cream chicken in patty shells, vegetable salad in may basket style, pickle, iced tea and hot rolls with butter. Third course, pink and white cream and May basket cakes with tulle tied handles. Plate favors were dainty little May baskets filled with Dorothy Perkins roses. Assisting in the dining room were Misses Lena Bell Baskin, Dora Emily Moore, Sue Griffin Webb, Kathleen Ely, Katherine Hefley and Katherine McIntosh, each dressed in dainty frocks in pastel shades.

Mrs. R. H. McIntosh, regent of the local chapter acted as toastmistress for the interesting program. Mrs. P. Clement gave the welcome address. Response to welcome address by Mrs. J. L. Lush, Bryan. Katherine McIntosh gave a piano solo. Mrs. W. T. Hefley sang "A May Morning," by Denza. Next the roll call of visitors, each member responding. Some very interesting historical facts and records were given. Response were as follows: Temple, "Why I love the D. A. R." Bryan, "D. A. R. Achievements." Georgetown, "My Ambition for my Chapter." Mrs. Tyler Haswell of Bryan gave a splendid report from the continental congress at Washington. Miss Ruth Kemp gave a reading "Courtship of Miles Standish" in modern interpretation. Mrs. W. E. Quebedaux of Georgetown, State secretary of D. A. R. gave a tribute to the Flag. The Cameron chapter then presented the visiting regents, Mrs. Nunn, Georgetown; Mrs. Stephens, Temple; and Mrs. J. L. Lush, Bryan and A. & M. each with a bouquet of vari colored sweet peas. These were carried by the young ladies who assisted in the dining room led by Miss Dora Emily Moore. The last feature of the program was a debate, "Resolved that the May Pole contributed more to America than the Mayflower." Mrs. Jeff T. Kemp taking the affirmative and Mrs. W. G. Gillis the negative side.

Out of town guests present were: Mesdames Chas. Cox, J. S. Harlan, A. J. Kuykendall, Hugh Leake, F. M. Mason, C. W. Peyton, Harper Stephens, Jas. Woodson, Mrs. John Green, Jas. Holden and J. L. Lush from Temple. Mesdames T. V. Adams and Sam Mewhinney and Miss Jean Adams of Buckholts. Mesdames J. W. Beecham, Chas. Edens, W. H. Nunn, W. E. Quebedaux, H. E. Richardson, D. A. Morgan, D. W. Carter, Chas. Howard and Miss Mittie Hutton of Georgetown. Mesdames J. H. Allen, W. B.

WHAT WE THINK

By FRANK DIXON

There's more confusion in the Democratic party. One man advocates removing the donkey as the emblem on the grounds, it has a kick. Another wants the emblem to be a combined cork screw and bottle opener.

The Rockefeller Foundation has practically eliminated the hook worm which again proves that the 'oily bird' gets the worm.

I see where Ruth Elder's husband is going to join her in Panama, when Ruth (the one they have been calling the berries—elderberries) finishes her lecturing. Many a man would prefer to wait until his wife gets through lecturing before he goes home.

An Arkansas paper says that nearly one-third of the people in the United States don't have bath tubs. I don't see anything to get alarmed about, for if you look it up you will find that nearly a third of the people in the United States are seldom home.

Most all of us like the fellow better who says 'yes,' than the one who says 'no,' but it always seems to me the fellows who always say 'yes,' never have anything to lend.

Did you ever figure out how we were attracted by our best friends? If you will think back, you'll find it was a single remark, a flash of wit or fun or some trifling thing. It's little common incidents most always that does the trick and establishes us as kindred spirits. We find out that some fellow views things much as we do, that the same books you like, he likes, that you both have the same kink in humor, that you both have similar follies or it may be such a trivial thing as both liking the same sandwiches. We can pass a fellow for years on the street, say 'Howdy' and go on until some morning something happens that gets you into conversation and behold you find some little thing starts a friendship. You may be at a table with a dozen strangers at a dinner, and some fellow, at the other end makes a remark you hear that hits the spot, you turn your head in his direction, your eyes meet that trifling something tells you both, let's be friends.

Then again—let a man disagree with another man and what is the result? The average man thinks the other man is a fool.

Linnaeus of old wrote: "When a man of genius is in full swing, never contradict him, set him straight or try to reason with him. Give him a free field. A listener is sure to get a greater quantity of good, no matter how mixed, than if the man is thwarted." Which brought down to date means, keep your mouth shut, your eyes and ears open and you can learn something from anyone.

John Jacob Astor has this also to add: "The man who makes it the habit of his life to go to bed at nine o'clock usually gets rich and is always reliable. Of course, going to bed does not make him rich, I merely mean that such a man will in all probability, be up in the morning and do a big day's work, so his weary bones put him to bed early. Rogues do their work at night. Honest men work by day. It's all a matter of habit and good habits in America make men rich. Wealth is largely a result of habit."

Nevertheless, I repeat the rich are getting richer and the poor are getting children and alarm clock sales are still climbing.

On second thought, however, we'll find 'The ruin of most men dates from some idle moment,' as George H. Hilland said.

Speaking of fights, prize fights, dog fights, bull fights, any fight, I'm sure no fight draws so good, or at least so large a congregation as a fight in the pulpit.

I believe Thomas R. Malthus is right when he says: "There is one right, which man is generally thought to possess, which I am confident he neither does nor can possess—the right to subsistence when his labor will not fairly purchase it."

Those who believe the world owes them a living, of course, won't agree, but Malthus and I are right anyway.

If you're fitter, you fit-er and that's that.

"I love a man who can smile in trouble, that can gather strength from distress, and grow brave by reflection. 'Tis the business of little mind to shrink, but he whose heart is firm, and whose conscience approves his conduct, will pursue his principles unto death."—Thomas Paine.

"A wise man must remember that while he is a descendant of the past, he is a parent of the future, and that his thoughts are as children born to him, which he may not carelessly let die."—Herbert Spencer.

Miss Pauline Green is in Austin this week attending quite a number of luncheons and parties given in honor of Mrs. Jack Childs, a recent bride and friends of Miss Pauline.

Mrs. John A. Pierce is visiting her parents, Mr. and Mrs. A. N. Green.

Mrs. E. B. Phillips of Rockdale attended the luncheon given by the D. A. R. at the country club last Saturday.

Mrs. W. B. Thomas of Rogers attended the D. A. R. luncheon here last Saturday.

The women of the Presbyterian church remembered one of their members, Mrs. A. A. Brooks on her 91st birthday, May 12. Some carried flowers and fruit, others went for a visit.

Mrs. Robinson and son, La Bertice of Georgetown spent the week end with Mrs. A. C. Hughes.

Mr. and Mrs. C. O. Hughes of Hanover spent Sunday in the home of Mr. and Mrs. A. C. Hughes.

Miss Jane Tyson, daughter of Mr. and Mrs. Dan Tyson was reported ill this week.

Mrs. Owen, mother of Mrs. Grady Stidham, returned from Temple Wednesday where she has been for ten days.

Mrs. Rush Thomas was a charming hostess to the members of the Friday Bridge Club and a few complimented guests at her home last Friday.

The rooms of the home were bright with floral decorations of salt cedar and St. Joseph's lilies. The score cards were unique and interesting. Each card was decorated with some

garden flower, each one a pretty color and a question or rule of bridge and answers on each. Thus acquainting the guests with new rules on bridge. Several spirited games were played after which cards were removed and trays brought in. On the center of each tray appeared a basket of flowers in colors of pink, lavender and green. The party plate contained a frozen salad, crackers, sandwiches and green punch. Candies in the colors were on each plate. The prizes were each wrapped in white paper and tied with green ribbon and were awarded the following ladies: Mrs. Black, guest prize, a box of stationery with silver edge; Mrs. Tom Henderson, Jr., high for club members, correspondence cards; and Mrs. Oxshier Smith low for club members, a box of novelty bridge cards.

Guests other than club members were Mrs. Cora Black of San Francisco and Mrs. D. M. Caslin of Houston.

Friday Bridge Club

Miss Grace Eplen was hostess to the Monday night Bridge Club at her home on Thirteenth Street using as decorations throughout the reception room white carnations and sweet peas.

Three tables were cleverly arranged for bridge and several interesting games were enjoyed. Miss Ethel Jenkins was winner of high score and received a red chinese flower bowl.

The hostess served brick cream and angel food cake on bamboo trays. Guests for this delightful evening were Miss Jolly Blanche Pitts and Miss Ethel Jenkins.

Homemakers Picnic

The Homemakers class of the Baptist church enjoyed a picnic last Tuesday afternoon. They gathered at the church lawn and left in cars at four o'clock for Lamkin's park, just east of the new bridge. This is a lovely picnic ground and playground for the children. Games were enjoyed until lunch time. A splendid lunch for all present was spread and served to 31 ladies and fifteen children.

As You Like It

Mrs. A. N. Green was a delightful hostess to the As You Like It Club

last Wednesday at her home in Hefley Heights. Each guest brought her sewing and the hours soon passed while busy fingers worked. The hostess served a salad plate consisting of tuffed tomato salad, stuffed cucumbers, ribbon sandwiches and iced tea.

Auction 42 Party

Mrs. S. A. Cottle entertained a group of her friends with a hat box party at the country club Wednesday afternoon.

Red daisies and larkspur gave floral adornment. These lovely flowers were in baskets and placed in places of vantage about the club rooms.

The score pads and tallies were dainty little hat boxes with gay bows for handles. Several games of auction 42 were played after which a surprise program was given. Mrs. A. J. Triggs in her sweet voice sang, "Charming." Miss Roberta Warren then danced the hat box dance dressed in pink frock and carried a hat box from which she took a pink hat. She is a very clever dancer and this feature was heartily enjoyed.

The hostess served strawberry cream and cake in hat box design tied with a pink bow. In the center of each tray was a corsage of sweet peas for each player at the table.

High score prize was awarded Mrs. C. W. Bradbury, a black checked hat box with colonial lady on the lid. Second high was awarded Mrs. Semi Burns, a black and yellow hat box with red decorations. Low prize was given Mrs. Mack Fox, a hand painted hat stand. Miss Warren was given a pink and blue hat box with large pink meline bow.

Out of town guests were Mrs. John A. Pierce of Corsicana and Miss Roberta Warren of Waco.

Mr. and Mrs. John Bosson of Milford spent the week end with her parents, Mr. and Mrs. Chas. Coleman.

Mr. and Mrs. Bob Brown have moved into their new home in the Green addition.

Mrs. Juanita Lyons and little son, Stafford are visiting her mother-in-law, Mrs. Lyons and daughter, Mrs. Look, this week in Somerville.

Mrs. H. E. Pye of Cisco is the guest of Mr. and Mrs. R. S. Boykin.

Mrs. R. S. Boykin and Miss Glennie Stafford went to A. & M. Saturday and stayed until Sunday, the guest of Robert Boykin.

Branchville News

There was a play, "Matrimonial Exchange" for the benefit of the school library at Branchville Thursday night and a good crowd witnessed a very good play. This same play will be carried to Jones Prairie next Friday night and everyone is urged to attend.

Everyone will be sorry to hear of Mr. Emma Porter having pneumonia but she is some better at this writing. We believe that with careful nursing and attention she will be better soon.

Mr. and Mrs. J. B. Porter of Houston are here to be with his mother in her illness.

Lots of Branchville folks went to Cavert last Friday night to the musical recital. A number of Branchville pupils were on the program.

Irvin Harlan was home from A. & M. for the week end.

Everyone is glad to know that Mr. Walter Henson is doing so nicely. He was operated on for appendicitis at Cameron and will be able to be brought home soon.

Mrs. Fred Smith and Mrs. M. R. Looney attended the Baptist worker's meeting at Ben Arnold last Monday.

The ladies organized a W. M. S. last Tuesday. Eight ladies were present. Mrs. Robinett was elected president and we are hoping more will be there next meeting and if all will take part we will have a good society and have some very interesting meetings. If everyone will co-operate we can accomplish quite a lot.

Frank Zeliske

Funeral services for Frank Zeliske who died at Abilene at 11 o'clock Thursday night, May 10, 1928 were held at St. Monica's at 9:30 a. m. Saturday May 12, with interment in the Catholic cemetery.

Mr. Zeliske was well known here and was well passed middle age. He lived here for about 30 years. In recent years he moved to West Texas.

Services were conducted by Rev. Father Apel. Pallbearers were John Jungmann, Frank Marak, John Wiltweek, Will Anderle and Rimond Richter.

Card of Thanks

We wish to extend our sincere thanks to those who assisted us during the recent illness and death of our father and husband, E. P. Moore. For each act of kindness and word of sympathy we are deeply grateful and we want to especially thank those who gave flowers and who in any way assisted us in our hour of sorrow.

Mrs. E. P. Moore
Mr. and Mrs. Fred Moore
Mr. and Mrs. Grant Moore
Mr. and Mrs. R. G. McClellen
Mr. and Mrs. E. L. Webb.

Card of Thanks

We take this method of extending our heartfelt thanks to those who came to us in the recent hour of great bereavement when our beloved husband and father, Fred Henry, died. We find in the many acts of kindness and words of sympathy a measure of consolation for which we are deeply grateful, though our sorrow is inexpressible. We especially wish to thank Dr. D. Monroe for his services; Rev. J. P. Love and Rev. H. G. Kenney, The Knights of Pythias who conducted the services at the grave and rendered kind and loyal service to us, and those who gave flowers. We extend our thanks to each and everyone who assisted us in any way.

Spring Time is Rain Time

CRASH! A mighty flash of lightning. The lights flicker.

What wouldn't flicker under such conditions? Lightning often strikes the electric light wires, but automatic lightning arrestors and switches take care of the sudden surge on the lines and you barely notice the flicker.

But sometimes this crash of lightning strikes a pole and makes splinters of it, or splits it down the middle. Sometimes it hits a cross arm and damages it.

In such latter events your electric service is interrupted until workmen wade through the rain and storm and make repairs.

If spring time and rain time cause slight interruptions to service, please know that somewhere there is a crew working at great odds to restore the flow of electrical energy to your home, office, store or shop.

CASTORIA

The Kind You Have Always Bought, and which has been in use for over thirty years, has borne the signature of *Chas. H. Fletcher* on the wrapper all these years just to protect the coming generations. Do not be deceived. *Small Counterfeits*, imitations and "just-as-good" are but experiments that trifle with and endanger the health of Infants and Children—Experience against Experiment.

Never attempt to relieve your baby with a remedy that you would use for yourself.

What is CASTORIA

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrup. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. The Children's Comfort—The Mother's Friend.

CRACKLINGS

My dad always said, "Never say it if you can't forget it," and I've never been able to understand just what he meant, but I still believe he was right.

What has become of the old fashioned wife who was always home when the old man telephoned to ask what the third thing was, she wanted him to bring home? Gone, gone are those happy days.

We all get ideas, some of us are lousy with ideas. I am at times, but I've come to the conclusion an idea isn't worth much until a man or woman comes along with energy and ability enough to make them work.

A man and his sister started on a trip around the world. Both were "temperamental," that is, difficult to get along with. They clashed continuously before they reached the coast. Finally Sis proposed they both resolve not to lose their temper before ten o'clock in the morning no matter what happened. The plan worked out fine. They circled the globe with less friction than they were accustomed to endure in a single week at home. This incident impressed a big business man so much, he issued orders to his entire force, that no conferences were to be held, or ugly unpleasant matters discussed before ten o'clock. "Keep your noses close to your desks the first two hours every morning," he instructed his help. "If the mail brings bad news, keep it to yourself until the rest of us have got our eyes opened and have forgotten our domestic and auto troubles." That was fifteen years ago and just today this man said, the unpleasantness and bickering inside his organization had been markedly reduced, and that the rule is still in effect and observed by all.

If that fellow who draws the funny paper picture about "And so the day was ruined," ever gets to see that idea, his job will be ruined.

I started up to a lawyers house near here the other day to talk to his wife about some shrubbery for their new home. I'd heard his wife was intending to take a trip east so I asked "Is your wife still home." I guess he thought I was joking for he snapped back, "Hell no! She's louder there than anywhere else."

So we see there is still other kinds of stills.

Bottles States, a Missouri newspaper remarks: "Lot's wife had nothing much on Mrs. Don Kirk. Lot's wife looked back and turned into a pillar of salt; Mrs. Kirk looked back and turned into a telephone pole."

Not long ago I was talking to a man who had been for a number of years wrestling with a business venture that was hazardous but had great possibilities. He was feeling great the day I saw him, his dream was coming true. "It's been a heck of a fight, hasn't it?" I said. "It's sure has," he replied, "many many times I've been on the verge of throwing it all over and going back to a salary that was sure. But I had to go on. There were my friends who believed in me and looked to me to make good. Few men who go into business escape the tortures that come with thoughts of failure. How often only a few hundred dollars would turn the tide and to find the necessary cash is often like looking for a left hand monkey wrench. Then after the tide turns, thousands may be raised with one-tenth the effort. In retrospect, the experience is amusing, at the time it is paralyzing."

A bunch of kids were out on our porch the other evening arguing with too much fire and noise for me to think. I tried to get the wife to chase them off or shut them up, but she said, "go long, close your ears, they are alright." The argument was over the subject, "Are Men more important than women?" "Men are soldiers, sailors, firemen, policemen, miners, inventors," said the boys. "Women are red cross nurses," piped back one girl. "Yes and the doctors the nurses work for are men. What can a woman do that a man can't do better?" shot out one boy. The arguments popped back and forth and one of the older girls finally said "Any woman can make any man look like an idiot." The kids finally came into the wife to settle the argument, and the girl repeated her last challenge. I felt it was my chance so I said, "You are absolutely right my dear. Look at me, I'm the shining example of what one woman can do to one man."

Nothing, I find, makes a woman madder, than to hear that someone has said of her, "But she's an awfully good soul."

These darn centrals sure get a fellow out of sorts sometimes. The other day I tried to get a number for an hour, then finally I got the wrong number and when I asked, "Who the dickens is this," the party at the other end curtly answered, "Santa Claus."

Nurses Honored

The Executive Board of the Cameron Federation of Missionary Societies complimented the nurses of the Cameron hospital and graduate nurses of Cameron, with a picnic Thursday evening.

They motored out to the beautiful picnic grounds of the country club, where a delicious luncheon was served. Plate favors were dolls dressed as miniature nurses, each holding place cards.

After luncheon games were enjoyed by all. Miss Dries being winner in a suit case race was presented with a tiny suit case; Miss Marka won the paper race and was given a large stick of candy.

The nurses present were: Misses Mae Good, Lexie Hilton, Laura Dodd, Fannie May Sharpe, Elizabeth Schiller, Elizabeth Curry, Jeff Lewis, Mildred Baskin, Agatha Moraw, Lucy Merka, Minnie Allen, Albine Kulak, Oleta Jackson, Mazella Jinks, Clara Bel, Lynn Ryan, Mary Kristoff, Anna Lorenz, Marie Lorenz, Rose Rischer, Josephine Dreis and Mrs. Ernest Hess.

Presbyterian Auxiliary

The Presbyterian women met in circles in the following home:

Circle one met with Mrs. I. N. Burnett with seven present. They enjoyed a mission program. Circle two met with Mrs. W. G. Gillis with five present. They studied "The Birthday Offering" in the past. Circle three met with Mrs. H. G. Kenney with eight present. They studied "The Birthday Offering" in the past. The hostess served cream and cake. Circle four met with Miss Sallie Kate McLane.

Notice

A revival meeting begins with Buckholts Baptist Church, Sunday, May 20. Preaching is to be done by Rev. W. B. Glass who has spent twenty-five years as a missionary in China.

Everybody is invited to attend these services.

W. P. Elliott, Pastor.

S. S. Worker's Meet

The Sunday School teachers and officers of the First Baptist Sunday school met in regular monthly workers conference Friday night at the church annex. H. P. Black, educational director, presided and the secretary, C. D. McGehee, read the monthly report and compared this report with reports of other months, showing the decided improvement in work accomplished this month over that done in previous ones. The pastor, E. S. Hutcherson, made an appeal for the continuation of the untiring service of the teachers and officers as exhibited during the revival meeting in which 32 persons identified themselves with the church. H. P. Black presented a plan by which some organization of the church might be taking a study course every week of the year. Although there were only a few in attendance the hour was most profitably spent.

Music Club

The Cameron Symphony Club met with Mrs. A. N. Green last Wednesday afternoon at 3:30 o'clock for the closing meeting for the year.

The program was as follows: Piano solo, Miss Rose Rischer; Vocal solo, Mrs. W. B. Levy; Violin selection, Mrs. Bradbury; piano number, Mrs. R. P. Jeter. Mrs. Jeter gave a very interesting story "A Palace Made by Music." The officers for the ensuing year were elected as follows:

President, Mrs. Bradbury; Vice-president, Mrs. Henry Sapp; recording secretary, Miss Beth Jeter, corresponding secretary, Miss Rose Rischer;

treasurer, Mrs. A. N. Green; year book committee, Mesdames A. N. Green, Henry Sapp and R. P. Jeter. The hostess at the conclusion of the musical and business meeting served a salad and ice course.

School nurse says
all girls should
know this

TALKING to a roomful of high school girls on personal hygiene, an experienced district nurse said: "One of the basic rules of health for girls is to keep the system functioning naturally at all times. Normal exercise and diet habits should be encouraged. But when necessary there's no harm in taking a little laxative. It works mechanically and can't disturb the normal functions of any organ of the body. Particularly with girls, there are times when a little laxative should always be taken. Take a spoonful every night for a few days. It's thoroughly safe and harmless. It won't cause distress or griping."

Feen-a-mint is different from any other substance. It contains no drugs or medicine. It can be taken safely no matter how you are feeling because it is so gentle and harmless, and works so quickly. Every woman should keep a box of Feen-a-mint. Every druggist has this remarkable substance. Get the genuine.

WALKER'S CREEK CHURCH AND COMMUNITY NEWS

ODELL JAMESON, Pastor

Mother's Day Service

Despite the fact that it was raining and that we had several sick ones in the community, our Mother's Day service was a great success. And we did well in observing this National day set aside in honor of our Mothers. May we never fail to pay tribute to that one who has a never-dying love for us. Mr. Lyons McCall, who is visiting with his parents and his sister, Mary Lou, sang a duet, and then later Mr. Lyons McCall sang 'Mother'. The pastor then preached on "Motherhood and the Bible."

At the night service the B. Y. P. U. observed in a brief way Mother's Day. Misses Texas Hightower and Mary Lou McCall sang a duet and then Mr. Frank Angell read a poem.

Mr. Black Talks

Those who failed to attend services last Saturday night missed hearing a fine Sunday school talk. Mr. Black who is educational director for the Baptist church in Cameron, talked on how we might better attain the Standard of Excellence which we are working so hard to reach. He gave us lots of good advice and assured us that he was ready to help us any way he could. Thanks, Mr. Black. We will call on you again. One thing he stressed that we needed and that was a Sunday school annex.

A Temptation

Those hot summer days will soon be here and will bring with them the urge to stay away from church on Sundays. But should we let such minor things detain us from worshipping God? The writer remembers seeing something like this: If a little pain overcomes us, how could we bear a cross? This was written in large letters and placed where all could see it who entered the B. S. U. office at Baylor. The lesson is easily seen and is good. Now let us at Walker's Creek substitute 'hot weather' for 'pain' and make the application.

Making A Visit

Our Union is going to make the Union at Branchville a visit next Sunday night. Since the writer is pastor of both B. Y. P. U.'s he can well say that the visit made and the visit received will be very much appreciated. It is well for Unions to visit like this, so long as it does not interfere with the preaching service. It is hoped that the people not members of the Union will go along with it to Branchville.

New Members

We are indeed happy to say that Mr. and Mrs. J. W. Bryant united with us as candidates for baptism on last fifth Sunday morning. These two fine people have lived in our community for years, and are loved by all who know them. Four of their daughters and two sons are already members of our church. Again let us say that we are glad to have this fine family to line up with us in the service of the Lord.

Here and There

Last Friday marked the end of a good school-term at Walker's Creek. The two teachers, Mrs. Freddie Lee Brown and Mr. George A. Angell are due much praise for the good work done this year. We, as a community, and as a church, ought to be glad that we have two fine Christian characters as these two to teach our boys and girls. We only hope they will be with us next year. As sort of an entertainment the mothers and fathers were invited to come on this last day and bring a lunch-dinner and to take part in the fine entertainment. The outstanding event of the day was the ball-game played between the married men of the community and the school boys.

Miss Marietta Boyd of Baylor College spent the week end with her parents, Mr. and Mrs. L. C. Boyd.

Lyons McCall, who has been off teaching, was visiting his sick sister, Essie, for the past few days. We are very sorry to learn that she was sick and we wish for her a quick recovery.

Mr. Fletcher Hightower had the misfortune of crushing his hand this past week. He was carried to the Cameron hospital but did not remain there very long. He was able to attend church services Sunday.

Uncle Jimmie Chamberlain is having a time with his sore finger. Although the doctors are doing all they can, they are seemingly not doing much good. He, too, continues to attend church services. We commend such fine spirit as these last two men show. If it be possible to go to church we contend that it will be better for you.

George Angell is going to visit in Waco this week and while there will see about attending Baylor this summer.

Mrs. Looney from Ben Arnold and a friend from Fort Worth, attended the Mother's Day service at our church Sunday.

"Nature has her freaks and man

likes to see them," is Mr. McLane's philosophy of life. Acting on this belief, he presented the writer with a nice, large, and handsome, five foot rattlesnake. But a rattlesnake in a "City with a Soul" is not a very good combination, so the "deceiver" by this time, is in his new home, in the Baylor museum where he will do his bit to educate young men and women. Thanks, Mr. McLane.

Folks bear in mind the revival meeting which will begin the first of August. Do your vacationing now or put it off until after the meeting, for you will be needed.

Pupils of Mrs. Webb In Piano Recital

Parents and many interested friends were in the Yoe High school auditorium Friday night May 11 when Mrs. Paul Webb presented her piano pupils in recital.

The stage was beautifully decorated with larkspur of pink, white and purple placed in large pedestal baskets placed at half circle about with two large baskets at each end. Eight pupils were seated in chairs and eight were stood about them making a beautiful setting for this exceptional recital. The pupils of Mrs. Webb in their recital gave evidence of much talent and their performance was a credit to their teacher.

The following program was rendered:

Trio—The Little Children, Zora Clark Wilkerson, Ruth Mode and Helen Ryan.

Autumn Breeze and Jolly Trolley Riders, Jessie Patricia Batte.

Buzzing Bumble Bee, Billie Triggs.

Duet—I Begin, Elizabeth Mangum, and Ruth Hobson.

Little Miss Muffet, Helen Ryan.

Babies in the Woods, Elizabeth Mangum.

Broken Toys, Amelia Freeman.

Duet—Sing, Robin, Sing, Billie Marek and Rosalita Matocha.

Pretty Song Bird, Ruth Hobson.

Cheerfulness, Ruth Mode.

Happy Ever After, Zora Clark Wilkerson.

Dream of the Rosebud, Frances Terry.

Dancing Pony, Billie Marek.

Duet—Signs of Spring, Amelia Freeman, Frances Terry.

On the Lake, Rosalita Matocha.

Sweetheart Waltz and Bachelor Button, Nancy Newton.

Floating Zephyrs, Winnelle Kidd.

On the Meadow, Katherine Monroe.

Duet—Busy Honey Bees, Patricia Lyon, Patricia McGregor.

Lightly Row, Frances and Lucille McDermott.

Springtime, Bess Mangum.

Tossing Kisses, Mildred Moore.

Menuet in G. and Humming Bird, Margaret Fisher.

Senatina, Op. 36 No. 3, 1st Movement, Catherine Mode.

With Glistening Oars and Babbling Brook, Patricia McGregor.

Romance in A, Maidie Watson.

La Roulette, Mary Newton, pupil of Mrs. R. P. Jeter.

Reverie, Nancy Ree Slocumb.

Menuet a L'Antique, Florence Atkinson.

Concert Polonaise, Arnette Eyan, pupil of Mrs. R. P. Jeter.

Melody in F, Katherine McIntosh.

Hungary, Jane Tyson.

Trio—Young Hearts, Katherine Monroe, Bess Mangum and Winnelle Kidd.

Methodist Church

We had fine crowds for Mother's Day and many expressed enjoyment of the entire day. Our attendance in the adult classes was smaller than the Sunday before, but the younger departments made up for it. Come to Sunday School next Sunday at 9:45.

There will be a joint League Program at 7:00 Sunday night, all three leagues taking part. We want a large attendance from all of the leagues.

The pastor's morning sermon is on "Heath-Stone Religion."

At night the sermon will be different from any you have ever heard. The subject will be "A Hymn of the Cross." The sermon will be illustrated at intervals by the singing of that beautiful song, "Art Thou Weary." Two voices in the choir will do the singing. Bring all of your family and your friends Sunday night.

Williams-Rylander

An outstanding event of the week was the wedding of Miss Beatrice Rylander to Mr. Lester Williams which took place Sunday morning at the Methodist church as a part of the Mother's Day program. Rev. P. T. Ramsey, the pastor performing the ring ceremony. Mrs. Clinton at the pipe organ gave bridal chorus from Lohengrins.

They were seated in the back of the church, during the first part of the program being given by the Sunday school pupils and when the pastor announced a surprise for the friends present the young couple marched to the front. They had no attendants.

This came as a complete surprise to most of the friends.

The bride wore a spring model of rose beige chiffon with trimming of brown, hat, shoes and hose harmonizing.

The bride is the oldest daughter of Mr. and Mrs. R. B. Rylander and was reared in and near Cameron. She is very popular among a large circle of friends for her many splendid qualities. She graduated from the Yoe

High school in the class of '27 and attended two terms at T. W. C. at Ft. Worth coming home in January 1928. She is a member of the Methodist church where she is active in the Sunday school and Epworth League.

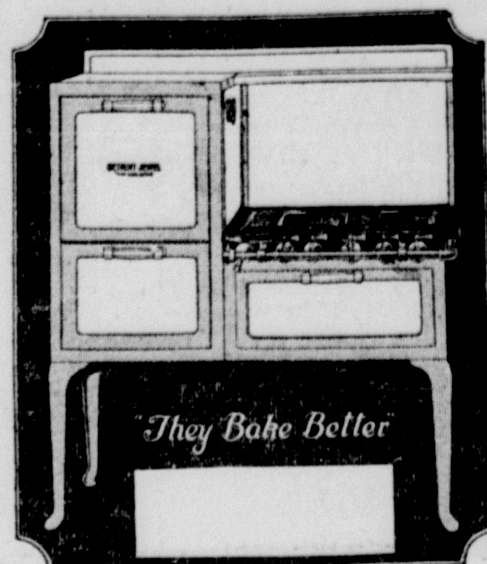

The groom is the youngest son of Mr. and Mrs. R. L. Williams. He graduated from the Yoe High school with the class of '26. He took book-keeping at school and studied one summer with his brother at Port Arthur

which fitted him for his present position as bookkeeper in the Citizens National Bank which position he has held for some time.

The young couple left immediately by motor for Austin, New Braunfels and San Antonio.

They will make their home with his parents on their return. The Herald extends congratulations and good wishes to the young couple.

DUST CLOUDS ENDANGER FLYING MEN UNTIL CITY OFFICIALS SOLVE PROBLEM

Spectators Can See Takeoffs Without Peril and Authorities
Breathe Easier—In Every Sense—Since Experts
Come to Aid of Aviators at Boston.

The Spirit of St. Louis Landing at Boston Airport, South Boston, Mass. Insert Shows "Lindy" and His Famous Smile.

WHILE Col. Charles A. Lindbergh, fresh from his triumphs in Central America and the West Indies, is now looking for new worlds to conquer aeronautically, city and aviation officials are planning new ways to make airports safer.

Flyers are interested in the dust problem not because they meet dust aloft, but because they must reckon with the problem when they are landing. Officials are interested because they are watchful over the safety of thousands of spectators filled with a new zeal for aviation because of Col. Lindbergh's prowess.

So seriously have the officials of the Boston Airport at South Boston realized that question that they have conducted special experiments with dust-laying apparatus and chemicals to determine which are most effective.

The problem has arisen only in recent years—one might say months—with the increase in "galleries" at the big aviation fields. Public interest has become so aroused to flying that it is no uncommon sight to see hundreds and even thousands of persons

gathered on the more popular fields to see the takeoff in any one of the big races.

Men, women and children trample over the fields before the start of the fliers, tearing up the turf and earth so that it may become quite dusty. When the pilots are ready to take off and the crowds pushed back behind the ropes, the aviators may find the field covered with fine dust.

As the plane starts down the runway, the propeller whirring, great clouds of dust arise, getting into the eyes of airmen and spectators alike, and creating a dangerous situation.

To reduce that danger so far as may be humanly possible, officials of the South Boston Airport are using calcium chloride, a chemical that because of its affinity for moisture acts as a perfect dust layer, much in the same manner of a moist blanket over the field.

Since that action was taken some months ago the officials have breathed easier—in every sense of that expression—and have made it possible for spectators to observe takeoffs without peril to themselves or to the fliers.

5 years of service
is only a starting point
for BUICK—Skilled engineering
and rugged construction make it
the most durable of motor cars!

Keep in mind when buying your new car, that more than
three-quarters of all the Buick cars produced in the last
twenty-five years are still serving their owners.

Buick endures—Buick stays young—Buick stands up and
gives its best over a longer period than any other car—
because it is endowed with an extra-rugged double-drop-
frame—Buick's world-famous Sealed Chassis and Triple-

Card of Thanks

I take this opportunity to thank my many friends and acquaintances for their hearty support given my son R. L. Batte, Jr., in his candidacy for Sheriff.

I was opposed to his making this race, but as I myself had some aspiration in the long ago for public office, it was hard to convince the boy that he should not run. I needed him badly in our business, so finally have persuaded him to pull down, not because I was afraid he would be beaten (for that would have been honorable) but because I was afraid he would be elected, and being his daddy, I was for him against the field. Now I am glad he is not going to run the race, and I again say to my friends, I thank you and I am,

Always yours at command,
LEE BATTE.

Gause 5; Cameron 3

Lovers of clean and good ball playing were treated to a fast played game of 12 innings Monday at Cameron. The game was a hard fought tie for 11 innings. In the 12th inning "Warhorse" the phenomenal pitcher for Gause won his own game with a two-base hit.

Every player on the Gause team deserves credit for the wonderful support they gave "Warhorse."

The outstanding features of the game were the fielding of Ferguson and Ely. Ely robbed Young of a home run with a sensational running catch in deep center. Gause fans always enjoy a game with Cameron on account of the clean sportsmanship of the Cameron team.

Methodist Church

The departments of the Methodist Sunday School carried out a very appropriate and well rendered program Sunday commemorating Mother's Day.

Mr. Roy Baskin gave a very beautiful tribute to mother. The children of the Beginners department under the leadership of Mrs. T. A. Fisher gave the fifth commandment.

The children of the Primary department under the direction of Mrs. Leland Green sang "Footprints of Jesus," Miss Geraldine Slaughter was at the piano.

Little Marian Green and Patricia Batte sang, "My Mother," as a duet and then Miss Geraldine Slaughter gave a piano solo.

The Junior Department of which Mrs. Roy Baskin is superintendent, sang "My Mother's Bible" with Dora Emily Moore at the piano.

Pupils of the Intermediate department under the leadership of Mr. T. A. Fisher were next on the program. Nancy Rhea Slocumb sang, "The Rock That is Higher Than I," assisted by other members of the department joining in on the chorus.

Miss Ruth Kemp in her sweet way read "Somebody's Mother."

Next Bro. Ramsey announced a part of the program not known to the program committee and as he spoke Mrs. Clinton at the organ struck the first notes of Lohengrin's bridal chorus and Miss Beatrice Rylander and Mr. Lester Williams marched down the center aisle and were united in marriage by Bro. Ramsey who used the ring ceremony. They left the church immediately after the ceremony.

Mrs. A. J. Triggs from the Senior department of the Sunday school sang "Mother Macre."

The church was lavishly decorated for the occasion under the direction of Miss Mollie Moore. Pedestal baskets placed in front of the chancel rail held pink, white and purple larkspur. The communion table was banked with white lilies, white lark spur and white rambling roses featuring the white and green color theme. On the organ was a mound of pink roses.

Dinner Party

The members of the Latin class enjoyed a most delightful dinner party at the country club last Wednesday evening at seven o'clock.

Miss Velda Walker, the popular Latin instructor and Mrs. Ben Atkinson were the chaperones. The club rooms were decorated in spring's sweetest flowers, sweet peas and larkspurs of purple and white.

The two course luncheon was served at quartet tables with covers of white linen. Each guest found his place by means of a dainty place card. At each plate was a corsage of sweet peas for the girls and a buttoniere of sweet peas for the boys.

Misses Imogene Sapp, Julia Mae McCullum and Lauretta Evans, students of the first year class served, in the dining room the following dinner: First course, chicken salad, bread and butter sandwiches, olives, sweet pickle, a flapper pear salad; Second course, cream and cake. Each member of the class invited a guest and eight couples were present. Games of bridge and 42 were enjoyed until a late hour.

B. Y. P. U. Give Play

"New Laurels for Mother," a one act playlet of modern home life of Intermediate boys and girls was given by the two divisions of the Intermediate B. Y. P. U. This playlet was in the form of a contest between the two unions, the Hutcherson B. Y. P. U. winning by a close margin.

The scene was in the home of Peggy, whose mother refused to let her go to a party which was being given by a club which did things Peggy's mother did not approve. A friend, who is a football star, Tom, drops in to see Peggy, also other friends, Sue, Bob and Mary. Soon their discussion was interrupted by the football coach, Waymon Jenness who gives a discourse on Freedom which is the climax of the play. Special song was given by Charles Bell, Harvey Radtke, Jonnie Mae Reese, Waymon Jenness, Guy Slocumb, Gordon Spaulding, Roy Fancher, Jessie Lee Eichenhorst and Gladys Kinard. Special music was given by Arnette Ryan and Gladys Jewell Copus.

Characters of the Hutcherson B. Y. P. U., the winner, were: Peggy, Laurita Evans; Tom, Emmett Bell; Sue, Johnnie Reese; Mary, Bessie King; Bob, J. C. Mayfield, coach, Ray Mayfield.

Special music, Ida Byrd Mayfield.

Special song by Johnnie Mae Reese, Laurita Evans, Maurine Leonard, Emmett Bell, Bessie King, J. C. Mayfield, Reading, Mary Francis Blaylock.

Baptist W. M. S.

The women of the Baptist church met in circles in the following homes: Circle one with Mrs. B. V. Shirley with nine present, Miss Clara Thomas leading the Bible lesson from Royal Service. Circle two met with Mrs. R. McLeod with eight present. No special work being assigned the program committee conducted a pleasant social hour of games and contests which proved a very delightful diversion. The chairman, Mrs. Wm. Henderson, resigned and Mrs. George Mangum, co-chairman will serve as chairman until October. Mrs. Dan Gunn resigned as secretary and Mrs. Cecil McGregor was elected to fill this vacancy. The hostess served a salad plate. Circle three met with Mrs. B. F. Bailey with Mrs. S. M. Burns Jr., as leader of lesson from the "Baptist Standard." Circle four met with Mrs. J. S. Barmore of Maysfield. Mrs. Shepherd led the lesson from "Life of Joseph." Those present from Maysfield were: Mesdames Kelso, Hub Massengale, H. L. Yeager, R. B. Mayes, Hubert Atkinson and Wise. The hostess served a salad plate with tea.

Storm Party

Saturday night of last week about twenty or twenty-five couples of young people and young married couples of Waco surprised Mr. and Mrs. Stanton Dossett with a storm party. They arrived about 7:30 o'clock and brought with them a 'washboard' orchestra. A merry time was spent in games and stunts. At a late hour the friends departed feeling they had indeed brought this young couple, formerly of Waco, a delightful surprise.

Junior-Senior Banquet

The members of the Senior and Junior classes of the Yoe High school enjoyed a most delightful banquet at the country club Tuesday evening. The banquet table was on the porch of the club house. Sweet peas in crystal baskets were used to decorate the table. More than a hundred students and teachers were present.

Cyrus Miller, president of the Junior class was toast master for the

Women, You Need Strength

Beaumont, Texas—"When I was advised to try Dr. Pierce's Favorite Prescription, after all the other remedies which I had used for feminine weakness had failed to benefit me, I was just about past going, I had suffered so much. I began taking the 'Favorite Prescription' and in a short time was feeling as well as I ever did in my life, and I am still enjoying good health."—Mrs. Mary J. Hall, 1333 Park St.
